**The estimates set forth in the preceding table are those used in the latest budget forecast for fiscal year 2022-2023 and are estimates only. There can be no assurances that the Commission allocation or the estimated available revenues in the years shown will not vary materially and/or adversely from the estimates.

1 Amount determined at the end of the Commonwealth's fiscal year ending June 30 of each year.

2 Amount determined at the end of the Commission's fiscal year ending May 31 of each year.

3 The amount of the Commission's Allocation does not equal exactly 14% of the tax collected from the added 55 mills because of the difference between the Commonwealth's and the Commission's fiscal years.
